

DEMO FONT LICENSE

Font Name: Roadside Sans Demo

Created by: Emmanuel Ludovice / Hiraya Grapika

© 2025 Emmanuel Ludovice/Hiraya Grapika. All rights reserved.

Thanks for downloading and using Roadside Sans Demo!

This demo font is shared freely so you can try it out in real projects and see if it fits your work.

WHAT YOU CAN DO

You are **100% free** to use this Demo font for both **personal and commercial projects**.

That includes things like: logos and branding, posters and flyers, social media graphics, print and digital designs, and client work.

The Demo version includes **uppercase and lowercase letters only** and is meant for testing and light use.

WHAT YOU CAN'T DO

To keep things fair and respectful, please note the following restrictions:

- **No modifying the font files**
Please don't edit, alter, convert, or tweak the font file in any way.
- **No redistribution**
You may not resell, share, upload, sublicense, or give away the font files—whether for free or for sale, and whether modified or not.
- **No harmful or inappropriate use**
This font may not be used in content that is pornographic, fraudulent, obscene, immoral, infringing, illegal, blasphemous, or defamatory.

Any use that violates these conditions will result in immediate termination of this license.

FULL VERSION & EXTENDED GLYPHS

This Demo version is intended for evaluation and limited use.

To access the full character set, additional glyphs, alternates, ligatures, and extended language support, please purchase the Full Version of Roadside Sans.

Grab the full version here:

Roadside Sans @MyFonts.com

Your support helps fund future updates and new typeface releases, thank you!

COPYRIGHT & OWNERSHIP

This font is the original work of Emmanuel Ludovice / Hiraya Grapika.

All rights not specifically granted in this license remain with the creator.
